

## POLAND

Please note that country specific requirements might apply to this call. For further information follow the links below or contact the national representative.

| Funding Organisation                                                                                                          | Contact Person                                                                                                                                                                           | Eligible Institutions                                                                                                                                                                                                                                                                                                           | Eligible Costs                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Anticipated Amount of Funding for This Call | Anticipated no. of funded research projects | Max./Min. funding awarded to a partner                                   |
|-------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|---------------------------------------------|--------------------------------------------------------------------------|
| <b>National Centre for Research and Development (NCBR)</b><br><br><a href="http://www.ncbr.gov.pl">http://www.ncbr.gov.pl</a> | Dr Marcin Chmielewski<br>Department for International Cooperation,<br>+48 22 39 07 109,<br>e-mail:<br><a href="mailto:marcin.chmielewski@ncbr.gov.pl">marcin.chmielewski@ncbr.gov.pl</a> | Following entities are eligible to apply:<br>- Micro, Small, Medium and Large Enterprise;<br>- Research organization;<br>- Group of entities (within the meaning of art. 37 section 1 point 1a of The Act of 30 April 2010 on the National Centre for Research and Development, published in Journal of Laws item 1770, 2019;). | The eligible costs shall be the following:<br>1. <b>personnel costs</b> (researchers, technicians and other supporting staff to the extent employed on the research project);<br>2. <b>operating costs</b> including costs of instruments, equipment, technical knowledge, patents, costs for buildings and land, costs of materials, supplies and similar products incurred directly as a result of the research activity;<br>3. <b>cost of contractual research</b> , costs of consultancy and equivalent services used exclusively for the research activity; this cost type cannot account for more than 70% of all eligible costs of a project; the subcontracting can be obtained from consortium partner only in justified case, this need will be verified by a national experts panel;<br>4. <b>additional overheads</b> incurred indirectly as a result of the research project; that costs cannot account for more than <b>25%</b> of eligible project costs and are counted as a multiplication by percentage given above and the rest of direct costs, excluding subcontracting (3); It means $4=(1+2)*25\%$ . | 600.000 €                                   | 1 - 3                                       | Max. 200.000 € per project, regardless of the number of Polish partners. |

- Organization must be registered in Poland.
- For enterprises it is strongly advised to state in the Pre-proposal application form the KRS number of the enterprise and the size of the enterprise (micro/small, medium, large).
- A condition for the participation of a group of entities as the Applicant in the competition is its formal existence on the date of submission of the pre-proposal, confirmed by its members concluding, at least conditionally, agreement on the creation of a group of entities. Please note that group of entities counts as two project partners from Poland (it meets the limit on the number of participants from the same country, please see call text for details).

Funding quota of Polish participants can be up to 100% for universities or research organisations. In the case of enterprises, funding quota will be decided on a case-by-case basis depending on the size of the company, type of research/development, risk associated with the research activities and commercial perspective of exploitation, under the Regulation of the Minister of Science and Higher Education of 25 February 2015 on criteria and rules on granting state aid and “de minimis” aid by the National Centre for Research and Development, published in Journal of Laws item 299, 2015.
